## Easter Outing

A bunch of young folks motored to the Gasconade Sunday for an Easter outing. They took dinner at the Findley spring and later drove to Hartville for some boat riding. The only bad feature of the trip was that there was too much to eat. The crowd simply couldn't get away with all the eats although they tried mightily hard. Those present were Misses Ruth Haverly, Martha Miller, Pearl and Edna Newton, Mabel and Maude Coday, Roxie Bratcher, Ina Belle Wallace, Cloe Osborn, Veril Ellis and Opal Hoover and Mrs. P. W. Newton; Messrs. Chas. Newton, Lester Stone, Ray Riley, Elmer Strong, Gorman Freeman, Karl Tripp, Frank Hoover and P. W. Newton. They all took supper at the W. O. Williams' cafe east of town. They all report a grand time.

## Why Constipation Injures

The bowels are the natural sewerage system of the body. When they become obstructed by constipation a part of the poisonous matter which they should carry off is absorbed into the system, making you feel dull and stupid and interfering with the digestion and assimilation of food. This condition is quickly relieved by Chamberlain's Tablets. Obtainable everywhere.—Adv.

## TAKE IT IN TIME

Just as Scores of Mansfield People Have

Waiting doesn't pay. If you neglect kidney backache, urinary troubles often follow. Act in time by curing the kidneys. Doan's Kidney Pills are especially for weakened kidneys. Many people in this locality recommend them.

Here's one case: J. T. Anderson, 212 W. First St., Mount Airy, Mo., says: "I suffered from kidney complaint for several years and used numerous medicines, but I can say that Doan's Kidney Pills gave me the greatest benefit. I had dull pains in my back and kidneys and I also had headaches. It required an effort for me to stoop or lift and whenever I awoke in the morning I was worse. Doan's Kidney Pills gave me good relief and I cheerfully endorse them."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Anderson had. Foster-McMillan Co., Props., Buffalo, N. Y.—Advertisement.

## OLD LADY FEELING FINE

After Taking Four Bottles Of Cardui, The Woman's Tonic.

Cobden, Ill.—"Having used Cardui, the woman's tonic, in my family, for a number of years," writes Mrs. Kate Metz, of this town, "and always with such good results, I feel it my duty to write you about it, so that you may publish my letter."

My mother is living with me, and she is 52 years old. For the last three or four years, she has been troubled a great deal with cramping spells, and for days at a time, she would have a severe headache.

She read of how much Cardui has helped other women who were sick and ailing, and decided to give it a trial. She began taking it three times a day, and since then has been getting along simply fine.

My mother only used four bottles of Cardui, but she is no longer troubled with the severe headaches, and her stomach is so much stronger that she can eat most anything.

We both feel that any lady who is not strong as well, would be greatly benefited by the use of Cardui.

Try Cardui.

The crowd was entertained with all kinds of games, big bon fires and every thing good to eat. ## A Surprise Dinner

Sunday the many friends and relatives of Mr. and Mrs. John M. Newton met at the M. E. church at Pleasant Ridge and had Sunday school at the usual hour. After Sunday school Rev. D. D. Killam of Hartville delivered a very interesting sermon. After church was dismissed Mr. Newton was asking everyone to go home with him for dinner, but no one seemed to want to go with him or anyone else, but when Mr. Newton started home everyone seemed to follow after him. They did not suspect anything until they reached home and saw the long table that had been made across the lawn, saw the buggies and wagons scattered around, and the people came running out of the house to greet them. Then they looked back up the road and saw buggies, wagons and hacks coming for a quarter of a mile behind. Then Mr. Newton said: "Well, old lady, this is one on us." The table was heavy laden with many good things to eat and everyone seemed to enjoy it. There were something near 125 present. After dinner an enjoyable time was had by all in playing games and music, after which all departed at a late hour wishing Mr. and Mrs. Newton many happy returns of the day.—One who was there.

## Watch Child's Cough

Colds running up nose, continued irritation of the mucous membrane if neglected may mean Catarrh later. Don't take the chances—do something for your child! Children will not take every medicine, but they will take Dr. King's New Discovery and without troubling or teasing it is a sweet pleasant far Syrup and so effective. Just laxative enough to eliminate the waste poisons. Almost the first dose helps. Always prepared no matter how serious. Just ask your druggist for Dr. King's New Discovery. It will safeguard your child against serious ailments resulting from colds.—Adv.

## An Easter Gathering

Quite a crowd gathered at the home of D. A. Taylor and wife Sunday. Mrs. Taylor certainly had a nice dinner, plenty of every thing to eat. Those present were W. H. Tarbutton and family, G. W. Tripp and family, Homer Tarbutton, wife and daughter, Inez, and Marvin and Nola Miller. At a late hour all departed for their homes, everyone saying they had a good time and enjoyed the day.—A Friend.

## Safe Medicine for Children

Is it safe? This is the first question to be considered when buying cough medicine for children. Chamberlain's Cough Remedy has long been a favorite with mothers of young children, as it contains no opium or other narcotic, and may be given to a child as confidently as to an adult. It is pleasant to take, too, which is of great importance when a medicine must be given to young children. This remedy is most effective in relieving coughs, colds and croup. Obtainable everywhere.—Adv.

The decision of John Schmook, special master in the case of Claud Daniels, bankrupt, in which a claim of approximately \$2,500 was allowed to J. B. Thomas, president of the Bank of Willow Springs, has been affirmed by Judge Van Valkenburgh, of the U. S. district court.—Springfield Leader.

For Neuralgia, nothing is better than  
**Dr. Miles' Anti-Pain Pills**  
Used by thousands for a generation

Those who have suffered from neuralgia pains need not be told how necessary it is to secure relief. The easiest way out of neuralgia is to use Dr. Miles' Anti-Pain Pills. They have relieved sufferers for so many years that they have become a household necessity. "I have taken Dr. Miles' Anti-Pain Pills for five years and they are the only thing that does me any good. They have relieved neuralgia in my head in fifteen minutes. I have also taken them for rheumatism, headache, pains in the breast, toothache, neuralgia and pains in the bowels and limbs. I have found nothing to equal them and they are all that is claimed for them."
